Activity topic:- 'WORLD HEALTH ORGANIZATION RALLY'		
<p>Activity Details:- Keep in view, Health and well-being of people. All the teachers and students collaborated and worked in order to aware people how to keep health well on 07/04/2022 at Meena Bazar, Madhupur. This aims to equip governments to respond to the health and well-being challenges, opportunities and need to be fulfilled. Over the last 20 years, mortality rates have declined in older (15-19 years) adolescent girls. Main causes of ill-health in this category: mental health conditions, iron deficiency anaemia, skin diseases and migraine. Also adolescent well-being depends on a range of factors like healthy food, education, life skills and employability, safe and supportive environments. We also highlighted agenda on WHO Programme on Mental Health and Psychological as well as Psychosocial Well-being and Development of children and Adolescents launched by WHO and UNICEF in 2020. This programme resulted fruitful one for our society environment and also awareness rally among members of locality. In order to keep health issues away we all members students and teachers worked hard to make this event a productive one. Even COVID-19 pandemic highlighted that role of schools goes well beyond education to provide critical nutrition, social protection, mental health and other services too.</p>
