a mindset that strongly believes that men and women are unequal entities', and hence have to function in different socio-economic space.

The fostering of a woman's sense of self-worth, her decision-making power, her access to opportunities and resources, her power and control over her own life inside and outside the home, and her ability to affect change.

Thus, everyone participated and exchanged their views regarding Women Empowerment. Mrs. Sangita Das participated in ^{the} seminar in order to share her view regarding sensitization on gender issues. All faculty members along with students worked hard to make the programme a successful one.

Thus, in presence of our principal, chief guest and all faculty as well as students members event ended with great success one. method. First of all we should stay vigilant of our surroundings. A prolonged interested in or taking pictures/videos of personnel, facilities, security features, or infrastructure in an unusual or covert manner is done through cyber process. So, it is important for us to know the basics of cyber crime.

Thus ADG (Madhya Pradesh) tried to make alert against such cyber issues. It is not only duties of officers to identify and make aware of us but also it is our duty to understand such corruptions which is going on.

Thus all faculty members and student members participated through Google meet and tried to make this Webinar a success one.

Principal of our college Dr. G.K. Tiwari and other members of college worked hard to make the webinar success one. Thus it was grand successful programme which was conducted through web. Therefore, we must be aware of such social issues against cyber crime.
